ACKNOWLEDGEMENT OF OFFICE POLICIES

Please review and sign after reading each policy listed below

General Patient Authorization: I hereby authorize providers of Dermatology Consultants of Frisco to render care to me during my office visits and to fulfill the orders of my physicians, including consultants, associates, and assistants of the physicians' choice.

Receipt of Notice of Privacy Practices: Dermatology Consultants of Frisco's Notice of Privacy Practices provides information about how Dermatology Consultants of Frisco may use and disclose protected health information about me. The Notice of Privacy Practices contains a Patient Rights section describing my rights under the law. I acknowledge that I have had the opportunity to review the Notice of Privacy Practices of Dermatology Consultants of Frisco. Dermatology Consultants of Frisco reserves the right to change the Notice of Privacy Practices.

Cancellation Policy: Please make every effort to attend your scheduled appointment by arriving 10-15 minutes early. "No-shows" are defined as any patient who fails to attend his or her appointment or any patient who cancels less than 1 business day in advance. Last minute cancellations hamper our ability to fill the slot and make other patients wait longer to see a provider. If a patient "no-shows", the practice will require the patient to pay a $50 fee prior to the practice rescheduling the patient for any future appointment. If patient has a future appointment already on the schedule, the $50 fee must be paid or that appointment will be cancelled until payment is made.

For surgery or cosmetic treatments, the above requirements apply; however, a $100 deposit will be required to reschedule rather than a $50 fee.

Administrative fees incurred for failure to provide cancellation notice are not billable to insurance or any other third party payor. These policies include appointments with all providers and estheticians.

Release of Medical Information:

I do / do not (*circle one*) authorize Dermatology Consultants of Frisco and its designated representatives to release my medical information to my primary care physician. If authorized, please provide name of physician: _____.

Please allow up to 15 business days to complete your request. If your request is urgent, please mark the request as urgent and someone from our staff will contact you to expedite your request. Absent providing a secure fax number, records must be MAILED to your address of record. Copies of blood work and pathology reports are provided at no charge, copies of your complete medical record or office notes will require $25 fee. You may also submit a request electronically to HealthMark Group by registering for an account at www.medrelease.com/360. Physician Assistant, Nurse Practitioner, & Esthetician Information: Dermatology Consultants of Frisco may staff physician assistants, nurse practitioners, and estheticians to assist in the delivery of medical dermatology care. A physician assistant ("PA") is not a doctor but is a graduate of a certified training program and is licensed by the Texas Physician Assistant Board. Under the supervision of a physician, a PA can diagnose, treat, and monitor common acute and chronic diseases. Supervision does not require the constant physical presence of a supervising physician, but rather overseeing their work. In collaboration with a physician, nurse practitioners can diagnose, treat, and monitor common acute and chronic diseases. Estheticians provide services as directed by a PA, nurse practitioner or physician. I understand that at any time I can request to see a physician. I have read the above and hereby consent to the services of a PA, nurse practitioner, or esthetician for my health care needs.

At Dermatology Consultants of Frisco and Precision Dermatology, we strive to offer exceptional and thorough care, while also being respectful of the time of every patient. With this in mind, we can successfully address up to 3 medical problems per visit. However, problems beyond this may need to be addressed at a future scheduled visit. We appreciate your understanding and thank you for choosing us!

Electronic prescribing systems can help reduce error rates and allow your dermatologist to check medications prescribed by other offices. I agree to allow my dermatologist to perform this check if found to be medically necessary or useful.

FINANCIAL POLICY NOTICE

Thank you for choosing Dermatology Consultants of Frisco. Please understand that the services you elect to participate in imply a financial responsibility on your part and you are ultimately responsible for payment of your bill. If you have any financial questions about your visit please contact our billing department as soon as possible. We strongly encourage each patient to contact their insurer directly prior to receiving services to ensure that they fully understand their benefits and coverage. We accept cash, checks, MasterCard, Visa, Discover, American Express and CareCredit.

Please review and sign after reading each policy listed below

Private Pay (Self-Pay): I understand that if I do not have health insurance, full payment is due at the time of service.

Policy Benefits / Non-Covered Charges: I understand it is my responsibility to know my insurance policy coverage and benefits and to notify Dermatology Consultants of Frisco of any insurance changes in a timely manner. Many insurance companies have additional stipulations that may affect my coverage. I understand that I am responsible for any amounts not covered by my insurer. Routine in-office procedures, including but not limited to, biopsies, injections, destruction of precancerous and non-cancerous growths and surgical removal and repair of cancerous and non-cancerous growths and Mohs surgery are billed separately from my office visit and may be subject to my deductible or coinsurance. I agree to fulfill all policy provisions which my insurance companies may require for payment. Procedures and evaluations, which are excluded from coverage including cosmetic procedures (benign mole removal, skin tag removal, cosmetic procedures, ect) and cosmetic evaluations, based on your plan's determination of medical necessity, will also be your responsibility**.** Any procedures performed will be considered surgery by your insurance company, and deductibles and coinsurance usually apply. **Cosmetic treatments and cosmetic services are non-refundable-no exceptions**.

Copayments: I understand that all copays are due at the time of my appointment and before I see the provider. Given that Dermatology Consultants of Frisco physicians are specialists, a higher copay may be required.

Deductibles: I understand that if it is determined that my insurance policy has an unmet deductible, payment for services at the contracted rate between Dermatology Consultants of Frisco and my insurer will be due at the time of service.

Managed Care (HMO) Plans or Health Select: I understand it is my responsibility to obtain any and all necessary referrals including referrals for follow up visits if my plan requires one. Dermatology Consultants of Frisco will strive to keep me informed of visits remaining on a referral and/or the expiration date but it is ultimately my responsibility to know this information and to make the necessary arrangements through my primary care physician. I understand that failure to obtain a referral, if required by my insurance for coverage, will result in me bearing complete financial responsibility for any and all services received.

Benefit Representation: I understand that the staff of Dermatology Consultants of Frisco will make every effort to accurately verify my insurance benefits but I will not solely rely on this preliminary verification as a basis for making financial decisions regarding treatment. I understand that I have a right to refuse any and all services before they are rendered if I think they are non-covered services or non-payable by my insurance. I understand that the final determination regarding my benefits and any amounts owed will be made by my insurer at the time of claim processing according to the provisions of the policy contract that I have with them. The exact payment amount cannot be determined with complete accuracy until the claim is submitted to your insurance company and the claim is processed. Any quotes or estimates given are simply estimates only and nothing more and are based on the information your insurance company provides at that time, which may or may not be accurate. Regardless of the accuracy of said quotes/estimates, the patient is always responsible for the full amount required by your insurance company when the claim is submitted for confirmation.

Assignment of Benefits: I understand I must provide a copy of my current insurance card in order to file an insurance claim. I assign directly to the providers at Dermatology Consultants of Frisco all insurance benefits, if any, otherwise payable to me for services rendered. If a Medicare patient, I request that payment of authorized benefits be made on my behalf. I understand that I am financially responsible for all charges whether or not paid by insurance or Medicare. I further agree to pay for any items or services not covered by insurance or Medicare, as applicable. I hereby authorize the Dermatology Consultants of Frisco to release all information necessary to secure all payments or approvals of benefits.

Payment for Ancillary Services (Laboratory/Pathology): I understand that Dermatology Consultants of Frisco utilizes the services of outside laboratories for pathology (biopsies), microbiology (cultures) and blood chemistry. These laboratories will bill for services separately from Dermatology Consultants of Frisco. I acknowledge that payments made to Dermatology Consultants of Frisco are for services rendered by Dermatology Consultants of Frisco and authorize the use of outside laboratories as deemed necessary and warranted by my doctor(s). I understand that this may result in a financial responsibility to the laboratory providing these diagnostic services.
